**DECLARATION OF BRENDEN LIM**

Judge: Honorable Jeffrey S. White  
Filed: March 14, 2022  
Trial Date: None set

1 I, Brenden Lim, declare:

2       1. I am currently employed by the City and County of San Francisco (the “City”) as a  
3 Manager III at the Human Services Agency (“HSA”).

4       2. Except where stated otherwise, I have personal knowledge of the following facts and, if  
5 called to testify, could and would testify competently thereto.

6       3. On October 12, 2021, Selina Keene emailed me concerning a COVID-19 Vaccination  
7 Exemption, attaching an “Employee Request for Religious Accommodation” and a “Religious  
8 Vaccine Exemption Letter” signed by Pastor Jesse Gistand of the Grace Bible Church. A true and  
9 correct copy of that email and its attachments are attached hereto as Exhibit 1.

10      4. On October 12, 2021, Lily Tang emailed Ms. Keene and asked her to respond to several  
11 questions to assist in evaluating her exemption request. On October 17, 2021, after further back and  
12 forth between Ms. Tang and Ms. Keene, Ms. Keene emailed me and Ms. Tang, attaching responses to  
13 those questions, along with another copy of the “Religious Vaccine Exemption Letter,” signed by  
14 Pastor Jesse Gistand. A true and correct copy of that correspondence and attachments is attached  
15 hereto as Exhibit 2.

16      5. Keene’s request for a religious exemption was denied on October 20, 2021. A true and  
17 correct copy of the Determination on COVID-19 Vaccination Exemption Request is attached hereto as  
18 Exhibit 3.

19      6. On September 23, 2021, Melody Fountila emailed me concerning a COVID-19  
20 Vaccination Exemption, attaching an “Employee Request for Religious Accommodation,” as well as a  
21 letter from Pastor Jesse Gistand that appears to be virtually identical to the one provided by Ms.  
22 Keene. A true and correct copy of that correspondence and attachments is attached hereto as Exhibit  
23 4.

24      7. On September 27, 2021 and October 12, 2021 Ms. Tang and Ms. Fountila exchanged  
25 further correspondence, on which I was copied, in order to gather additional information concerning  
26 Ms. Fountila’s request for a religious exemption. A true and correct copy of that correspondence,  
27 along with attachments, is attached hereto as Exhibit 5.

1       8. Fountila's request for a religious exemption was denied on October 20, 2021. A true  
2 and correct copy of the Determination on COVID-19 Vaccination Exemption Request is attached  
3 hereto as Exhibit 6.

4       9. Fountila subsequently requested a medical exemption from the City's vaccine  
5 requirement, claiming that had natural immunity to COVID-19 because she had been infected by the  
6 virus. That exemption request was denied on October 29, 2021.

7  
8  
9  
10  
11      I certify under penalty of perjury under the laws of the State of California and the United States  
12 of America that the foregoing is true and correct.

13      Executed this 5th day of July 2023 at San Francisco, California.

Hello Mr. Lim, OCR and SFDHR,

Please excuse the delay in submitting my Religious Exemption Accommodation form and support letter. The tragic turn of events over the past several months has been overwhelming to say the least and has kept me very busy assisting and supporting other members with their own stringent lengthy accommodation process to save their jobs. Unfortunately, this has caused delays in my own submission of required Religious exemption accommodation.

I have cc'd my 1021 Union Representatives on this email and am providing you written authorization to maintain them throughout the inactive process email thread to provide any additional support that may be necessary.

I appreciate you providing a confirmation email that you have received my request.

Your attention, assistance and support is appreciated.

The City and County of San Francisco (City) is committed to equal employment opportunities for all employees and a work environment that is free of unlawful harassment, discrimination, and retaliation. Consistent with this commitment, the City complies with all laws protecting employees' religious beliefs, practices and observances. When requested, the City will provide an exemption or reasonable accommodation for employees' sincere religious beliefs, practices and observances, which prohibit the employee from receiving a COVID-19 vaccination, provided the requested accommodation is reasonable and does not create an undue hardship for the City or pose a direct threat to the health and/or safety of the employee or others in the workplace.

San Francisco Department of Public Health Order No. C19-07, requires persons routinely working onsite in High-Risk Settings as defined in the Order to receive a COVID-19 vaccination and report their vaccination status to their employer effective September 15, 2021. City policy must comply with this public health order, and will also require all other City employees to receive a vaccination within 10 weeks of FDA approval of any COVID-19 vaccine. A religious exemption may be granted to City employees who: (1) hold a sincere religious belief that conflicts with the vaccination requirement, (2) complete this request form, and (3) provide any information needed to support the exemption request.

**EMPLOYEE CERTIFICATION**

I request an exemption from the local Public Health Order and City Policy requiring COVID-19 vaccinations for all City employees. I make this request based on my sincere religious belief(s), practice(s), or observance(s). My beliefs are in conflict with the vaccination requirement, and I certify the following is true:

1. My religion or belief system is (enter name or description): CHRISTIAN \_\_\_\_\_
2. I have held this belief(s) system, or practiced and observed this religion since (enter date or year): 1989 \_\_\_\_\_
3. My religion, belief system, or practice requires me to abstain from the COVID-19 vaccination because (describe the specific tenet, practice, or observation that conflicts with the COVID-19 vaccination requirement and/or explain how you follow it):

My sincerely held religious beliefs as a spiritual being with a Christian worldview do not allow me to receive a COVID-19 vaccine. My belief are an all-encompassing guide to my daily life choices and while I am not perfect, I strive to honor God in all I do. (Matthew 22:37) The COVID-19 vaccines include the current COVID-19 mRNA vaccines and the Janssen vaccine which are produced with aborted fetal cell lines. The Johnson & Johnson vaccine (Janssen), uses retinal cells from a fetus that was aborted in 1985 and treated in a lab; since the Pfizer and Moderna vaccines test the mRNAs on fetal cell lines from an aborted fetus cell from 1973. Therefore, in my sincerely held belief as a spiritual being with a Christian worldview, I cannot use any product that takes its origin in abortion.

## RELIGIOUS VACCINE EXEMPTION LETTER

August 24, 2021

To Whom It May Concern:

I SARINA KONE (MS.K) hold as:

My sincerely held religious beliefs as a spiritual being with a Christian worldview do not allow me to receive a COVID-19 vaccine.

My beliefs are an all-encompassing guide to my daily life choices and while I am not perfect, I strive to honor GOD in all I do. Matthew 22:37

The COVID-19 vaccines include the current COVID-19 mRNA vaccines and the Janssen vaccine which are produced with aborted fetal cell lines.

The Johnson & Johnson vaccine (Janssen), uses retinal cells from a fetus that was aborted in 1985 and treated in a lab; since the Pfizer and Moderna vaccines test the mRNAs on fetal cell lines from an aborted fetus cell from 1973.

Therefore, in my sincerely held belief as a spiritual being with a Christian worldview, I cannot use any product that takes its origin in abortion.

"For you created my inmost being; you knit me together in my mother's womb." Psalm 139:13. The inmost being is extremely sacred. I will not knowingly participate in the process to use such a product that violates the right to life and dishonors the lives of the unborn. God's word tells me to keep my body pure. I cannot receive a COVID-19 vaccine under any circumstance.

Furthermore, the V.A.E.R.S report provided by the CDC has shown significant harm injury, and death by the implementation of these experimental vaccines in just 6 months.

**Total reactions** for the experimental mRNA vaccine **Tozinameran** (code **BNT162b2, Comirnaty**) from **BioNTech/ Pfizer**: **9,868 deaths** and **767,225 injuries** to 31/07/2021

**Total reactions** for the experimental mRNA vaccine **mRNA-1273(CX-024414)** from **Moderna**: **5,460 deaths** and **212,474 injuries** to 31/07/2021

These serious and fatal injuries are increasing daily and confirm injury and harm. Even 40% of the employees of the CDC have not taken the vaccines having faced these claims as per Dr. Fauci's own words.

My Body is the "...Temple of the Living GOD..." 1 Corinthians 6:19-20 and I shall not knowingly do any harm to myself or others by participating in this experimental program.

I trust in the LORD. Ephesians 6:10-18 directs us to "Put on the armor of God," so that we can be equipped with truth, righteousness, peace, and faith. We are taught not to be afraid and that we have divine protection. In GOD and Jesus Christ, I Trust.

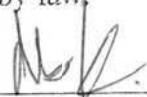

I can certainly testify to this because as you are aware, throughout the whole pandemic, I have been working according to your policies and measures required of the employees.

I wish to continue my gainful employment with this company as my family depends upon it and I am willing to make the necessary adjustments that will work towards that end without violating my conscience.

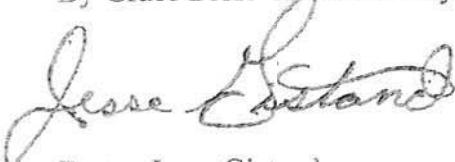

The law requires accommodations to be offered for religious exemptions. My sincerely held ethical, moral, and religious beliefs are universal, encompassing my belief and faith in Jesus Christ and I cannot violate my conscience, given to me by God.

I am available to answer additional questions if needed, provided they are a "reasonable inquiry," as allowed for by law.

Sincerely,

This religious exemption letter is written and approved  
By Grace Bible Church of Hayward CA

Pastor Jesse Gistand

Afternoon Ms. Tang,

Thank you for your response.

I have attached my sincere religious belief response to your questions below, but I ask that this request for Religious exemption accommodation be kept 100% confidential as it contains thoughts and statements not shared in casual conversations and are deeply personal to me, nor do I want to experience unnecessary bias, disparity or discrimination on the job due to breech of confidentiality. I asked that this be shared on an as-needed basis; that is, only those charged with approving the exemption request should read our words.

Please note that the attached response to your questions is an explanation of my sincerely held personal religious beliefs. I hope I have described them sufficiently. Again, these thoughts are the unique message I receive from my GOD. I don't ask that you, or anyone else, agree with these thoughts and personal translations. But under the law, I respectfully request that they be honored as truthful and legally permissible. Based on what I have shared, I ask this religious exemption be approved.

I am concerned about the timeframe statement you mentioned regarding completion of approval to determine my Religious Exemption Accommodation request. You stated that the determination will take the next week or so, which appears may run past the November 1st deadline. My understanding attending the Citywide Covid meet and confer table is the exemption accommodation process should be a seven (7) day turnaround for requests to be completed. Is this information not adequate? Please advise.

In closing, I look forward to your response and granting my Religious Exemption accommodation request.

Your attention, assistance and support is appreciated.

Hi Ms. K.,

Sorry, I will be out of the office and will return next Monday.

The type of questions depends on the religious exemption request but I'm not sure what questions are being asked by other departments.

As we are in the process of evaluating your exemption request, answers to these questions will be helpful in understanding individual sincere held beliefs. Please respond to the questions below by next Monday. After receiving your responses, we will be evaluating your responses and documentation to make a determination in the next week or so.

Hello Ms. Lily Tang,

I just noticed instead of receiving a response to my email questions, I received an additional out of office reply email from you with an August 31st return date, which doesn't appear to be updated.

Was this a mistake or are you suddenly out of the office and are unable to answer my questions in reasonable timeframe?

If you are suddenly out of the office, who else in OCR can provide me a response, so I can move forward and adequately respond and complete the series of Religious questions, so you can evaluate and process my exemption request in a timely manner.

Very concerned,

Are the number and type of questions you provided to me consistent with all requests for Religious Exemptions submitted to workers across the agency as well as citywide?

What is the current process timeframe for obtaining an approval decision? Is it still consistent with a 7 day turnaround?

Your attention, assistance and cooperation is appreciated.

8.	Please identify the specific religious tenet, practice or observance that prohibits receiving vaccines developed or tested using fetal cell lines.	
9.	The Vatican, Evangelicals and numerous other Christian groups have endorsed the COVID-19 vaccines and pronounced that the connection between the fetal cell lines used in vaccine testing and actual abortion is sufficiently remote and the pandemic sufficiently serious to allow members to receive the vaccine in good conscience. Many common medications were also developed using the same type of technology used in the development of Covid-19 vaccines, including Tylenol, Pepto Bismol, aspirin, Tums, Lipitor, Senokot, Motrin, ibuprofen, Maalox, Ex-Lax, Benadryl, Sudafed, albuterol, Preparation H, Claritin, Zoloft, Prilosec OTC, and azithromycin. Do your beliefs prohibit you from taking and will you in the future abstain from taking these and other similar medications? If not, what tenet or belief prohibits the use of the Covid-19 vaccine, but permits the use of these other medications?

## RELIGIOUS VACCINE EXEMPTION LETTER

August 24, 2021

To Whom It May Concern:

I SARINA KONE (MS.K) hold as:

My sincerely held religious beliefs as a spiritual being with a Christian worldview do not allow me to receive a COVID-19 vaccine.

My beliefs are an all-encompassing guide to my daily life choices and while I am not perfect, I strive to honor GOD in all I do. Matthew 22:37

The COVID-19 vaccines include the current COVID-19 mRNA vaccines and the Janssen vaccine which are produced with aborted fetal cell lines.

The Johnson & Johnson vaccine (Janssen), uses retinal cells from a fetus that was aborted in 1985 and treated in a lab; since the Pfizer and Moderna vaccines test the mRNAs on fetal cell lines from an aborted fetus cell from 1973.

Therefore, in my sincerely held belief as a spiritual being with a Christian worldview, I cannot use any product that takes its origin in abortion.

"For you created my inmost being; you knit me together in my mother's womb." Psalm 139:13. The inmost being is extremely sacred. I will not knowingly participate in the process to use such a product that violates the right to life and dishonors the lives of the unborn. God's word tells me to keep my body pure. I cannot receive a COVID-19 vaccine under any circumstance.

Furthermore, the V.A.E.R.S report provided by the CDC has shown significant harm injury, and death by the implementation of these experimental vaccines in just 6 months.

**Total reactions** for the experimental mRNA vaccine **Tozinameran** (code **BNT162b2, Comirnaty**) from **BioNTech/ Pfizer**: **9,868 deaths** and **767,225 injuries** to 31/07/2021

**Total reactions** for the experimental mRNA vaccine **mRNA-1273(CX-024414)** from **Moderna**: **5,460 deaths** and **212,474 injuries** to 31/07/2021

These serious and fatal injuries are increasing daily and confirm injury and harm. Even 40% of the employees of the CDC have not taken the vaccines having faced these claims as per Dr. Fauci's own words.

My Body is the "...Temple of the Living GOD..." 1 Corinthians 6:19-20 and I shall not knowingly do any harm to myself or others by participating in this experimental program.

I trust in the LORD. Ephesians 6:10-18 directs us to "Put on the armor of God," so that we can be equipped with truth, righteousness, peace, and faith. We are taught not to be afraid and that we have divine protection. In GOD and Jesus Christ, I Trust.

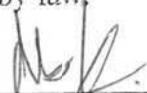

I can certainly testify to this because as you are aware, throughout the whole pandemic, I have been working according to your policies and measures required of the employees.

I wish to continue my gainful employment with this company as my family depends upon it and I am willing to make the necessary adjustments that will work towards that end without violating my conscience.

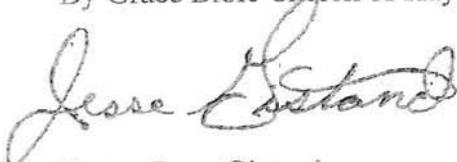

The law requires accommodations to be offered for religious exemptions. My sincerely held ethical, moral, and religious beliefs are universal, encompassing my belief and faith in Jesus Christ and I cannot violate my conscience, given to me by God.

I am available to answer additional questions if needed, provided they are a "reasonable inquiry," as allowed for by law.

Sincerely,

This religious exemption letter is written and approved

Good morning Lily,

I have already replied to this question. However, I've not been vaccinated in over 30 years and that has been by choice. My body belongs to God and is the temple of God and I choose not to defile it. "What? know ye not that your body is the temple of the Holy Ghost which is in you, ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.

1 Corinthians 6:19-20 KJV

<https://bible.com/bible/1/1co.6.19-20.KJV>

I have never take the flu shot and today I choose not to take any medications because they have adversely affected my body and caused harm. As far as my children, as stated before their privacy is their privacy and this question breaches their privacy. Their information has nothing to do with my religious exemption.

Respectfully

Good Morning Melody,

Thank you for responding to some our questions. As we are in the process of evaluating your exemption request, answers to our questions are critical in the evaluation process. Please be advised that your continued participation and answers to our questions, will be helpful in understanding individual sincere held beliefs.

It appears from your responses that you and/or your children may have been previously vaccinated with other vaccines for school purposes, and that you and your family may have previously taken some medication that was developed similarly to the development of the Covid-19 vaccine. Please confirm if our interpretation of your responses is correct.

Please be advised that after receiving your response, we will be evaluating your additional responses and documentation to make a determination in the next week or so.

Thanks,

Lily

1. Please identify the specific religious tenet that prohibits the COVID-19 vaccination	As stated in my exemption- My body is the temple of GOD- it is not to be subjected to coercive experiments with clear danger and harm already proven by the CDC/VAERS	
2.	Please identify the Christian Sect or denomination that teaches that the COVID-19 vaccination is prohibited	<p>I am a evangelical Christian that believes the Bible as the Word of GOD- Mt 22:37 Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all the mind. And loving GOD and neighbor means do no harm.</p> <p>Rom 13:10 Love worketh no ill to his neighbor: therefore love is the fulfilling of the law.</p>
3.	Can you provide any existing literature to support your exemption request?	The Bible – The Word of GOD-Title 7 of the federal code-
4.	State whether the views expressed in your religious exemption request are part of a shared or comprehensive doctrine and how long the doctrine has existed.	The Church of Jesus Christ has been in existence since Ad 33 and has engaged the world to love God and do no harm as stated above.
5.	Do you regularly worship with others sharing your beliefs about the COVID-19 vaccine, if so, how often and where are services generally held?	This line of questioning is also irrelevant to the matters at hand and appears to only serve some data gathering agenda.
6.	Do you have a declaration supporting your religious exemption request from your pastor or religious leader?	Already submitted!

7.	<p>The Vatican, Evangelicals and numerous other Christian groups have endorsed the COVID-19 vaccines and pronounced that the connection between the fetal cell lines used in vaccine testing and actual abortion is sufficiently remote and the pandemic sufficiently serious to allow members to receive the vaccine in good conscience. Are your beliefs contrary to this pronouncement? If so, why?</p>	<p>The Vatican does not speak for all Christians – The bible does- And we know that abortion is murder- Per the bible in Exodus 20:13, 15 Thou shall not KILL. And theft of life.</p>
8.	<p>Please identify the specific religious tenet, practice or observation used to identify substances that are harmful, and state how you applied this to the COVID-19 vaccine.</p>	<p>I am an evangelical Christian that believes the Bible as the Word of GOD- Mt 22:37 and loving GOD and neighbor means do no harm Rom 13:10</p>
10.	<p>Please identify the specific religious tenet, practice or observance that prohibits receiving vaccines developed or tested using fetal cell lines.</p>	<p>I am an evangelical Christian that believes the Bible as the Word of GOD- Mt 22:37 and loving GOD and neighbor means do no harm Rom 13:10</p>

1.

Have you taken vaccines for any of the following diseases: rubella (measles), varicella (chickenpox), or hepatitis A?

First, let me state, Perhaps- as child or an adult in my ignorance, before I became more informed about vaccines and now I'm I am more informed and know better.

2.

Have you authorized your children to receive vaccines for rubella (measles), varicella (chickenpox), or hepatitis A?

This is irrelevant to my request and breaches privacy.

3. If your answer to question #1 and/or #2 is “yes,” why is your position with respect to the COVID-19 vaccine different than for these other vaccines, all of which are also grown in cell lines derived from fetuses?

My first answer would suffice for questions 2,3-

4.

The Vatican, Evangelicals and many Christian denominations have endorsed the COVID-19 vaccine and pronounced that the connection between the fetal cell lines used in vaccine testing and actual abortion is sufficiently remote and the pandemic sufficiently serious to allow members to receive the vaccine in good conscience. Are your beliefs contrary to this pronouncement? If so, why?

The Vatican does not speak for all Christians – The bible does- And we know that abortion is murder- Per Exodus 20:13, 15-And theft of life.

5.

Many common medications were also developed using the same type of technology used in the development of Covid-19 vaccines, including Tylenol, Pepto Bismol, aspirin, Tums, Lipitor, Senokot, Motrin, ibuprofen, Maalox, Ex-Lax, Benadryl, Sudafed, albuterol, Preparation H, Claritin, Zoloft, Prilosec OTC, and azithromycin. Do your beliefs prohibit you from taking and will you in the future abstain from taking these and other similar medications? If not, what tenet or belief prohibits the use of the Covid-19 vaccine, but permits the use of these other medications?

Let me say, I have been making healthier choices for myself to better my health and longevity to my life. If what you are saying is true then society, as a whole should know this to make wiser choices. The difference is that these products are not being forced upon us at threat of our livelihoods. This vaccine mandate is an act of unconstitutional coercion. And violation of my privacy and basic human rights.
